SKIN CARE

Deep cleansing facial 80
Petite facial 1/2 hr 50
 For any skin type. Clarifies, purifies, and rejuvenates. Includes exfoliation, extractions, firming mask, relaxing and moisturizing massage, and treatment to minimize appearance of fine lines.

Lucrecia Phyto Aromatherapie Treatment 90
 Utilizes pure and natural essential oils with PFE (Plantes Fraiche Entieres) that will not create any contraindication that normally can be a result of a harsh, and chemical ingredients in today's pharmaceutical skin care regimen. The Lucrecia Aromatherapie treatment will not exfoliate your outer layer of the epidermis unless it is naturally ready to be exfoliated this way you will allow your skin to be protected and be naturally exfoliated.
 Actions: Deep Cleansing, Closes the pores of the epidermis, Softens the skin, Gives a healthy complexion, Stimulates cells metabolism, Balances sebaceous secretion, Anti Aging, Anti Pollution, Combats free Radicals

Toning facial 90
 Includes all elements of the deep cleansing facial plus a toning treatment that stimulates facial muscles and encourages firming, awakening and toning of facial tissue for a visible lift.

Pure oxygen facial 105
 Includes all elements of the deep cleansing facial plus the application of pure oxygen that enhances the absorption of concentrated vitamin and mineral complex into the deeper layers of the skin

Microdermabrasion 120
 A less aggressive approach to skin resurfacing. It stimulates the production of new skin cells and collagen. Microdermabrasion uses a jet spray of mineral crystals to remove, than vacumme the outer keratin layer of the skin.
